### Introducing ms Scenic Pearl

See Europe in style from a Scenic "Space-Ship". The Scenic "Space-Ships" are a new generation of river cruiser. At 135 metres long they offer 22% more space than standard vessels and have two entire decks of balcony cabins, that's 82% of all cabins. In 2011 Scenic Tours will introduce the fifth Scenic "Space-Ship" the brand new Scenic Pearl.

### Exclusive Events, Special Occasions, Amazing Places... introducing Marksburg Castle

Crowning the hilltop above Braubach is the towering Marksburg Castle. Built in the 12th century and inhabited for over 700 years it is in the most original state of any castle on the Rhine. After a guided tour of the castle you are treated to a spectacular private dinner and entertainment with knights, jugglers and musicians in medieval dress.

### Suit yourself and explore a little further on your own...

New in 2011, is Scenic FreeTime. We will provide you with an audio device and map so you can explore a little further on your own. In several locations you will be able to wander at your own pace, stop and start whenever you wish and linger as long as you like, as you embark on a journey of discovery and enjoy detailed commentary at set locations.

### Introducing a range of brand new itineraries
