Scenic "Space-Ships" The Ultimate River Cruising Experience

Over the past years I have spoken to a great number of our guests who had sailed on river cruise ships we had chartered. Their feedback was invaluable and enabled me to form a clear vision of how our ships should be designed. On arriving in Europe on the 5th of January 2007 I had only one goal in mind – to build the Ultimate River Cruising ship for Australian travellers. So the project commenced and the first Scenic "Space-Ship" entered service in July 2008. Australian's typically cruise on Europe's waterways for 14 to 21 nights and as such appreciate greater public space and larger cabins. We designed our "Space-Ships" to be 135 metres in length, increasing the size of all public areas and ensuring that all guests could be comfortably accommodated in the Restaurant in one sitting. We also added a second Restaurant – our now famous Portobello's fine dining Italian. And finally, we increased the size of our cabins by 25% over average River Cruise cabins so we could include full size Private Balconies.

But we didn't stop there. I realised after meeting many of our guests that the Scenic "Space-Ship" cruising experience had to be TRULY all inclusive... so we added little touches like free Cappuccino or Espresso from your own self service machine to complimentary quality bottled wine with both lunch and dinner. All meals are included as well as dining at the magnificent Portobello's at no extra cost. We included ALL excursions including our renowned Scenic FreeChoice and new Scenic Enrich programs – not sold as optional extras at additional cost – so our guests could be certain once they came on board there was little or nothing more to pay for.

So I was really pleased to hear from a couple on their last day in Amsterdam tell me they had spent just \$160 for the entire 15 days including souvenirs. They made the comment they'd spent more than that in one day on previous cruises!

Our fleet has grown to 4 ships, Scenic Emerald, Sapphire, Ruby and Diamond – all proudly 100% owned and operated by Scenic Tours. For 2010 we have created some super savings for Earlybird bookings, so I urge you to book early to take advantage of these special offers.

We look forward to welcoming you on board.

Best Regards,

Glen Moroney
