

SEE THE POLAR BEARS IN CHURCHILL, CANADA

With Scenic Tours you can enjoy a five night land tour to Churchill in Manitoba, Canada, the Polar Bear capital of the world. The rare opportunity awaits for you to watch these extraordinary creatures as they migrate annually to Churchill in search of food. View Polar Bears and other Arctic marine life in their natural environment on board your purpose built Tundra Buggy. Tours operate for a limited time each year to witness this unique migration and visitor numbers each year are controlled by the authorities in order to protect the bears. Keep a look out throughout your stay for the Aurora Borealis, known as the Northern Lights.

From \$5,695* pp twin share land only.

This extraordinary opportunity can be booked as an independent package or in conjunction with other Scenic Tours itineraries. This 6 day extension is independent and unescorted by a Scenic Tours Tour Director.
